# Long-serving staff at Infoline honoured

MUSCAT Infoline, a Business Process Outsourcing (BPO) firm in Oman, honoured the long-serving employees who have completed five years in the service of the company, in a special ceremony under the auspices of S Durgaprasad, MD of Infoline, and in presence of members of the senior management. Twenty-three employees were honoured, according to a press release.

Infoline's HR practices focus on creating, nurturing and supporting people to meet its ambitious growth plans, through a wide variety of initiatives that cover all stages in the lives of employees as they train and hone the skills of their majority Omani staff.

Durgaprasad thanked the long-service staff for

their efforts. Certificates and appreciation prizes in recognition of staff's dedicated service were awarded to each of the employees who had completed five years in the organisation.

He said these awards are not so much for long-service, but as a reward for loyalty. Loyalty and dedication are the keys to the success of any organisation. Long years put in by these staff are proof of the conducive working environment provided by Infoline. This ceremony was held to ensure employees are recognised and appreciated for their efforts.

He congratulated the recipients for demonstrating faith in the company and standing by it through thick and thin.
